Create a colourful paper portrait of a bear. Ideal for decorating a child's bedroom or as a postcard!

List of materials:

- **Canson® Mi-Teintes 160 g/m2** [6] : Honey suckle, Havana clear, Steel grey, Canary + choose any colours you like for the clothing.
- **Canson® tracing paper** [7]
- Thin black felt-tip pen
- Craft knife - scissors
- Paper glue (with brush applicator)
- Template: **Animal Portrait** [8]

Step1 : Templates

Download and transfer the **different parts of the bear** [8] onto the different coloured sheets using a **sheet of Canson® tracing paper** [7]

- **Background:** Honey suckle
- **Frame:** Havana clear
- **Bear:** Steel grey
- **Clothing:** Canary
- **Clothing details:** range of colours

Step2 : Cutting out

Cut out all the parts and decorate the bear's clothing with patterns: polka dots using a hole punch, lines of different thicknesses, etc.

Step3 : Glueing

Glue the decorations onto the clothing one by one, mixing up the shapes and colours to ensure a well-balanced composition.

Then cut off any decorations which stick out.

Step 4: The bear's face

Glue the different parts onto the bear's face and draw eyes using a black felt-tip pen.

Step 5: Base

Cut out a 13x19cm rectangle from the light-coloured Havana paper and a 12x18cm rectangle from the Honey suckle Wall paper.

Glue the centred rectangles together and then glue the bear in the middle.
