Here you'll learn how to draw a magnificent horse in 5 steps. By using this simple and fun method for learning how to draw, kids will become true artists!

To draw your horse, you can use '[C' à Grain](#)[®] [6], [Mi-Teintes](#)[®] [7] or [Vivaldi](#)[®] [8] paper.

Step 1

Start by drawing an outline of the horse's body using a pencil.

Step 2

Add an outline of the legs and hooves.

Rub out the unnecessary lines, which are dotted.

Step 3

Add the tale, mane and facial features (ears, cheeks and snout).

Step 4

Add its mane and tale.

Add the curves of the horse's body.

Rub out the unnecessary lines, which are dotted.

Step 5

Add whichever colours you want.

To make your drawing more realistic, you can add some scenery (such as a small field and a cute rabbit!).

Tip:

Has this project inspired you? Let the adventure continue! Canson wants you to showcase your students' creations by sharing them with our community. We'd love to see what they've created, whatever it is! Simply contact us using the [contact form](#) [9].
