Here you'll learn how to draw a horse and cart with a person in it trotting through a field. By using this simple and fun method for learning how to draw, kids will become true artists!

To draw your horse and cart, you can use Canson[®] C? à Grain [6], Mi-Teintes [7][®] [7] or Vivaldi [8][®] [8] paper.

Step 1

Using a pencil, draw a circle for the wheel of the cart, a rectangle for the cart itself and begin to draw the body of the person.

Step 2

Add the person sat in the cart and the outline of the seat.

Rub out part of the rectangle you drew at the beginning for the cart.

Step 3

Add detail to the wheel and give the person a hat and arms.

Rub out the part of the head hidden under the hat.

Step 4

Add detail to the person (hair, facial features, arms and clothes).

Finish your drawing by adding the harness and horse.
