Here you'll learn how to draw a baby penguin and its mum in 5 steps. By using this simple and fun method for learning how to draw, kids will become true artists!

To draw your penguin, you can use Canson® C? à Grain [6] Mi-Teintes [7] or Vivaldi [8] paper.

## Step 1

Begin by drawing an outline of your penguin's body using a pencil.

## Step 2

Add an outline of its feet and beak.

### Step 3

Following the same technique, draw a little penguin in front of the other.

### Step 4

Rub out the unnecessary lines.

Add the eyes.

## Step 5

Add whichever colours you want to your drawing.

### Tip:

Has this project inspired you? Let the adventure continue! Canson wants you to showcase your students' creations by sharing them with our community. We'd love to see what they've created, whatever it is! Simply contact us using the [contact form](#) [9].
